July 2, 2010

Dear Y.O.U. Sponsors,

Enclosed is the Y.O.U. Staff Application packet for Unitreat. All Y.O.U.er's interested in being on staff must meet the requirements stated on the enclosed flyer AND must submit COMPLETED applications and required forms by **August 10, 2010**.

YOU Support Staff will receive 30 service hours for the weekend.

Please note that this deadline for staff applications is typically earlier than the deadline for Uniteen registrations. If selected, registration forms will be turned into your Church Youth Director or Uniteen Leader to accompany the Uniteen group's registration packet.

Also enclosed for your reference is a list of the criteria used to select the Y.O.U. staff for each Unitreat. The success of the Unitreat weighs heavily on the leadership skills of the Y.O.U. Staff and this process is one step in determining how successful a Y.O.U.er might be as a staff member. The first step in the process however is you. When recommending your Y.O.U.er's for these positions, please consider this list of criteria and whether you have seen your Y.O.U.er **demonstrate** leadership skills.

The Minister, Youth & Family Director, Y.O.U. Sponsor and Uniteen Leader signatures are required on the forms; however, it is the responsibility of the YOUer to mail the application on time.

Incomplete or late applications will be placed on an alternate list and reviewed only if a position becomes available by cancellation. Because the Unitreat requires a great deal of early planning and the timely submission of the application is an indication of the YOUer's commitment and ability to be responsible, no exceptions will be made.

Since there are generally a great deal more applications submitted than positions available, please encourage your Y.O.U.er's to apply early. While previous staff experience is a factor in consideration, it is not a guarantee of being selected.

One In Spirit,

Rev. Joanne Burns, CSE, LUT  
Uniteen Consultant
