Chapter Leadership

Our chapter leadership is only loosely structured. In most ways we function as a group, each YOUer taking up leadership opportunities when called upon or moved to do so. We don't have officers.

Favorite Lessons

One of our favorite lessons was watching and discussing the movie What the Bleep Do We Know, which is a movie about quantum physics and how it affects our reality on a daily basis.

Curriculum

The 'Peace and Nonviolence' curriculum was very successful, not only in YOU but throughout the entire YFM. At the end of studying this curriculum we led a sermon with the rest of the YFM department.

Service Work

Some of our service projects include raising money for the Souper Bowl of Caring Campaign and the Arlington Life Shelter, volunteering for the Special Olympics, conducting various Youth and Family Sunday services, working with our garden team to beautify our garden, facilitating a 'Free Hugs' campaign, etc.

Fund-raising

Every year our most successful fundraising is in August with our annual Book Sale. In July we collect books and garage sell items donated to us by members of the church and sell them at the end of August with a book sale. Most recently we did fundraising by 'flocking' congregants' homes with plastic pink flamingos, which they had to pay to have removed for a nominal fee.

Other activities

We recently had a 'Rockin' Lock-in' which was a lot of fun! At the lock in we played Rock Band and Guitar Hero and we had a workshop on leading lessons the next day.
